

SAMSUNG USER MANUAL

8 1 4 1 0 0 1 6 7

SAFETY INFORMATION

SAFETY WARNINGS

TO REDUCE THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE THE COVER (OR BACK). NO USER-SERVICEABLE PARTS ARE INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.
Refer to the table below for an explanation of symbols which may be on your Samsung product.

	CAUTION RISK OF ELECTRIC SHOCK. DO NOT OPEN.	
	This symbol indicates that high voltage is present inside. It is dangerous to make any kind of contact with any internal part of this product.	
	This symbol indicates that this product has included important literature concerning operation and maintenance.	
	Class II product: This symbol indicates that a safety connection to electrical earth (ground) is not required. If this symbol is not present on a product with a power cord, the product MUST have a reliable connection to protective earth (ground).	
	AC voltage: Rated voltage marked with this symbol is AC voltage.	
	DC voltage: Rated voltage marked with this symbol is DC voltage.	
	Caution: Consult instructions for use: This symbol instructs the user to consult the user manual for further safety related information.	

WARNING

- To reduce the risk of fire or electric shock, do not expose this appliance to rain or moisture.
- To prevent injury, this apparatus must be securely attached to the floor/wall in accordance with the installation instructions.
- This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

CAUTION

- Do not expose this apparatus to dripping or splashing. Do not put objects filled with liquids, such as vases, on the apparatus.
- To turn this apparatus off completely, you must pull the power plug out of the wall socket. Consequently, the power plug must be easily and readily accessible at all times.

FCC NOTE (for U.S.A.):

FCC Compliance Statement:
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC Caution:

- Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.
- This product satisfies FCC regulations when shielded cables and connectors are used to connect the unit to other equipment. To prevent electromagnetic interference with electric appliances, such as radios and televisions, use shielded cables and connectors for connections.

Class B FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorienting or relocating the receiving antenna.
- Increasing the separation between the equipment and receiver.
- Connecting the equipment to an outlet that is on a different circuit than the radio or TV.
- Consulting the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated so there is at least 8 inches (20 cm) between the radiator and your body. This device and its antenna(s) must not be co-located or operated in conjunction with any other antenna or transmitter.

CALIFORNIA USA ONLY (Applicable for networking models only.)
This Perchlorate warning applies only to primary CR(Manganese Dioxide) Lithium coin cells in the product sold or distributed ONLY in California USA "Perchlorate Material - special handling may apply, See www.dtsc.ca.gov/hazardouswaste/perchlorate."

Dispose unwanted electronics through an approved recycler. To find the nearest recycling location, go to our website: www.samsung.com/recycling Or call, 1-800-SAMSUNG

WARNING: Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

Important Safety Instructions

- Read these operating instructions carefully before using the unit. Follow all the safety instructions listed below. Keep these operating instructions handy for future reference.
- Read these instructions.
 - Keep these Instructions.
 - Heed all warnings.
 - Follow all instructions.
 - Do not use this apparatus near water.
 - Clean only with dry cloth.
 - Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
 - Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
 - Do not defeat the safety purpose of the polarized or grounding-type plug. A polarized plug has two blades with one wider than the other. A grounding type plug has two blades and a third grounding prong. The wide blade or the third prong are provided for your safety. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
 - Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
 - Only use attachments/accessories specified by the manufacturer.
 - Use only with the cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the apparatus. When a cart is used, use caution when moving the cart/apparatus combination to avoid injury from tip-over.
 - Unplug this apparatus during lightning storms or when unused for long periods of time.
 - Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.

PRECAUTIONS

- Ensure that the AC power supply in your house complies with the power requirements listed on the identification sticker located on the bottom of your product. Install your product horizontally, on a suitable base (furniture), with enough space around it for ventilation (3-4 inches). Make sure the ventilation slots are not covered. Do not place the unit on amplifiers or other equipment which may become hot. This unit is designed for continuous use. To fully turn off the unit, disconnect the AC plug from the wall outlet. Unplug the unit if you intend to leave it unused for a long period of time.
- During thunderstorms, disconnect the AC plug from the wall outlet. Voltage peaks due to lightning could damage the unit.
- Do not expose the unit to direct sunlight or other heat sources. This could lead to overheating and cause the unit to malfunction.
- Protect the product from moisture (i.e. vases), and excess heat (e.g. a fireplace) or equipment creating strong magnetic or electric fields. Unplug the power cable from the AC wall socket if the unit malfunctions. Your product is not intended for industrial use. It is for personal use only. Condensation may occur if your product has been stored in cold temperatures. If transporting the unit during the winter, wait approximately 2 hours until the unit has reached room temperature before using.
- The battery used with this product contains chemicals that are harmful to the environment. Do not dispose of the battery in the general household trash. Do not expose the battery to excess heat, direct sunlight, or fire. Do not short circuit, disassemble, or overheat the battery. **CAUTION:** Danger of explosion if the battery is replaced incorrectly. Replace only with the same or equivalent type.

01 CHECKING THE COMPONENTS

Soundbar Main Unit / Soundbar Remote Control / Power Card

NOTES

- For more information about the power supply and power consumption, refer to the label attached to the product. (Label: Bottom of the Soundbar Main Unit)
- To purchase additional components or optional cables, contact a Service Center.
- Design and specifications are subject to change without prior notice.

02 PRODUCT OVERVIEW

Top Panel of the Soundbar

1 Source
Press to select a source connected to the Soundbar.

LED Indicator	
White On -> Off	"Digital Audio In"
White On -> Off	"Bluetooth"
White On -> Off	"USB"

2 LED indicator
The LED Indicator flashes, glows, or changes color depending on the Soundbar's current mode or status.

White LED	Multicolor LED	White LED

3 NFC Logo
You can activate your Bluetooth connection by placing your phone in the NFC detection area of the Soundbar.

Bottom Panel of the Soundbar

- POWER**
Connect the Soundbar's AC power cable.
- DIGITAL AUDIO IN (OPTICAL)**
Connect to the digital (optical) output of an external device.
- USB (5V 0.5A)**
Connect a USB device here to play music files stored on the USB device through the Soundbar.

03 CONNECTING THE SOUNDBAR

Connecting Electrical Power

- For more information about the required electrical power and power consumption, refer to the label attached to the product. (Label: Bottom of the Soundbar Main Unit)

Accessory type and quantity may vary depending on the model.

04 CONNECTING WITH A CABLE

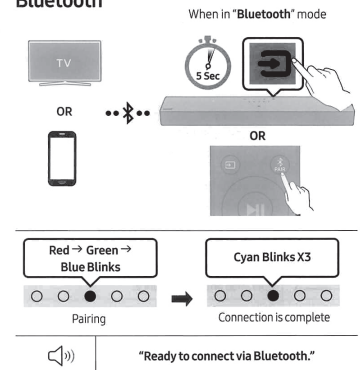

NOTE

- When you use an optical cable and the terminals have covers, be sure to remove the covers.

05 CONNECTING WIRELESSLY

Connecting a TV or Bluetooth Device via Bluetooth

NOTE

- If asked for a PIN code when connecting a Bluetooth device, enter <0000>.

Connecting a Soundbar to a mobile device via NFC function

NOTES

- Make sure that your mobile device has the NFC function turned on and that the screen is active.
- Bluetooth connection is unavailable when NFC of the mobile device is in card emulation mode.

06 TROUBLESHOOTING

Refer to the instructions below if this product does not function properly. If the problem you are experiencing is not listed below or if the instructions below do not help, turn off the product, disconnect the power cord, and contact Samsung Electronics at 1-800-SAMSUNG (1-800-726-7864).

Soundbar does not turn on.

- Check whether the power cord of the Soundbar is correctly inserted into the outlet.

Soundbar works erratically.

- After removing the power cord, insert it again.
- Try again after resetting the product.
- If there is no signal, the Soundbar automatically turns off after a certain period of time. Turn on the power.

If the remote control does not work.

- Point the remote directly at the Soundbar.
- Replace the batteries with new ones.

The image shown here is for illustrative purposes only and may be subject to change.

Soundbar does not output any sound.

- The volume of the Soundbar is too low or muted. Adjust the volume.
- When any external device (STB, Bluetooth device, mobile device, etc.) is connected, adjust the volume of the external device.
- For sound output of the TV, select Soundbar. (Samsung TV: Home (H) → Menu → Settings (S) → All Settings (A) → Sound → Sound Output → Select Soundbar)
- Remove the cable from the Soundbar and then reconnect it.

Soundbar does not connect via Bluetooth.

- When connecting a new device, switch to Bluetooth Pairing for connection. (Press the PAIR button on the remote control or press the (Source) button on the body for at least 5 seconds.)
- Reconnect it after removing the Bluetooth speaker list on the device to connect. (Samsung TV: Home (H) → Menu → Settings (S) → All Settings (A) → Sound → Sound Output → Bluetooth Speaker List)

Sound drops out when connected via Bluetooth.

- Some devices can cause radio interference if they are located too close to the Soundbar. e.g. microwaves, wireless routers, etc.
- If your device that is connected via Bluetooth moves too far away from the Soundbar, it may cause the sound to drop out. Move the device closer to the Soundbar.

- If a part of your body is in contact with the Bluetooth transceiver or the product is installed on metal furniture, sound may drop out. Check the installation environment and conditions for use.

Soundbar does not turn on automatically with the TV.

- If you turn off the Soundbar while watching TV, the power synchronization with the TV will be disabled. Power off the TV and Soundbar using the TV remote.

- Samsung Electronics Co., Ltd reserves the right to change the specifications without notice.
- Weight and dimensions are approximate.

01 USING THE REMOTE CONTROL

1 Power button

Cyan Blinks X1

On

Red Blinks X3

Off

2 (Source) button

Press to select a source connected to the Soundbar.

3 Bluetooth PAIR button

Switch the Soundbar to Bluetooth pairing mode.

Red → Green → Blue Blinks

Pairing

Cyan Blinks X3

Connection is complete

4 Up/Down/Left/Right buttons

5 (Play / Pause) button

6 (Mute) button

Blinks X Repeatedly

7 SOUND MODE button

By pressing the button, you can select the desired audio mode. (The audio mode may differ with the TV model.)

White Blinks X1

"Surround Sound" → "Standard"

8 (Info) button

Press the button to display information about the current function.

9 Volume button

White moves to right X1

Volume Up

White moves to left X1

Volume Down

10 WOOFER (BASS) LEVEL button

Push the button up or down to adjust the level of the woofer (bass). (Subwoofer is not included.)

11 CH LEVEL button

By pressing the button, you can adjust the volume of the each speaker.

White Blinks X1

"Center Level"

12 (Sound Control) button

By pressing the button, you can set the audio function. The desired settings can be adjusted using the Up/Down buttons. Each time the mode changes, the Multicolor LED blinks in white.

White Blinks X1

"Sync" → "Night mode" → "Voice enhancement"

13 TONE CONTROL button

By pressing the button, you can adjust the volume of the treble or bass sound. The desired item can be adjusted using the Up/Down buttons.

White Blinks X1

"Treble" → "Bass"

(Batteries not included)

The remote control vary depend of model: The buttons on the remote control may have a different name or location than the remote control shows in this manual.

02 INSTALLING THE WALL MOUNT (OPTIONAL)

Installation Precautions

- Install on a vertical wall only.
- Do not install in a place with high temperature or humidity.
- Verify whether the wall is strong enough to support the product's weight. If not, reinforce the wall or choose another installation point.
- Purchase and use the fixing screws or anchors appropriate for the kind of wall you have (plaster board, iron board, wood, etc.). If possible, fix the support screws into wall studs.
- Purchase wall mounting screws according to the type and thickness of the wall you want to mount the Soundbar on.
 - Diameter: M4
 - Length: 1.6 inches (40 mm) or longer recommended.
- Connect cables from the unit to external devices before you install the Soundbar on the wall.
- Make sure the unit is turned off and unplugged from the power source before you install it. Otherwise, it may cause an electric shock.

Wall mount Components

For installation on Concrete Walls (not supplied)

(Tools not included)
