FCC Related Information

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harm interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
 Increase the separation between the equipment and
- receiver. Connect the equipment into an outlet on a circuit.
- different from that to which the receiver is connected Consult the dealer or an experienced radio/TV technician for help.

Pursuant to ECC regulations, you are cautioned that any changes or modifications not expressly approved in this manual could void your authority to operate this equipment.

Safety and Regulatory

5 GHz bands are restricted to indoor operations only.

Notice for customers in the United States

This equipment complies with FCC/IC radiation exposure limits set forth for an uncontrolled environment and meets the FCC radio frequency (RF) Exposure Guidelines and RSS-102 of the IC radio frequency (RF) Exposure rules. This equipment should be installed and operated keeping the radiator at least 20 cm or more away from person's body (excluding extremities: hands, wrists, feet and ankles).

This device and its antenna(s) must not be co-located or operating with any other antenna or transmitter except Grant condition.

NOTE ON AC ADAPTER (models with supplied AC adapter only)

WARNING

To reduce the risk of fire or electric shock, do not expose this apparatus to rain or moisture. To prevent fire or shock hazard, do not place objects filled

th liquids, such as vases, on the apparatus. Do not install this equipment in a confined space, such as a bookshelf or similar unit Please ensure that the AC power outlet is installed near

- the equipment and shall be easily accessible
- Be sure to use the supplied AC adapter and AC power cord. Otherwise it may cause a malfunction.
 Connect the AC adapter to an easily accessible AC power
- outlet Do not coil the AC power cord around the AC adapter.
- The core wire may be cut and/or it may cause a malfunction of the TV · Do not touch the AC adapter
- If you notice an abnormality in the AC adapter, disconnect it from the AC power outlet immediately.
- The set is not disconnected from the AC source as long as
- it is connected to the AC power outlet, even if the set itself has been turned off

 As the AC adapter will become warm when it is used for a long time, you may feel hot when touching it by hand

- Ensure your TV has adequate ventilation, refer to the
- safety documentation For best picture quality, do not expose the screen to
- direct illumination or sunlight. Avoid installing the TV in a room with reflective wall and

Avoid moving the TV from a cold area to a warm area. Sudden room temperature changes may cause moisture condensation. This may cause the TV to show poor picture and/or poor color. Should this occur, allow moisture to evaporate completely before powering the

Securing the TV

Sony strongly recommends taking measures to prevent the TV from toppling ove Unsecured TVs may topple and result in property damage, serious bodily injury or even death.

Preventing the TV from Toppling

- Secure the TV to a wall and/or Stand Do not allow children to play or climb on furniture and TV
- sets.Avoid placing or hanging items on the TV. Never install the TV on:
- slippery, unstable and/or uneven surfaces. – furniture that can easily be used as steps, such as a
- chest of dra Install the TV where it cannot be pulled, pushed, or
- knocked over.Install the TV so that the TV's Table-Top Stand does not
- protrude out from the Stand (not supplied). If the Table-Top Stand protrudes out from the Stand, it may cause TV set to topple over, fall down, and cause personal injury or damage to the TV.

Route all AC power cords and connecting cables so that they are not accessible to curious children

Remote Control and TV

The remote control shape, location, availability and function of remote control buttons may vary depending on your region/country/TV model.

(Batteries not supplied)

- 1 •: (The Google Assistant) /
- (Microphone): Use the Google Assistant^{*1*2} or voice search^{*2}. For hints on how to control your TV press •: (the Google Assistant)/
 (Microphone) button and speak the phrase "voice hints".*
- ▲/▼/◀/▶/⊕: On screen menu navigation and selection. **TV:** Display TV channel list or switch to input.
- 2 (TV standby) Number buttons
- (dot) APPS: Display a list of installed apps.
- 3 Google Play / NETFLIX*¹ /Color buttons

The remote control vary depend of model: The buttons on remote control may have a different name or location than the remote control shows in this manual

Recommended Measures to Secure the

- TV Consider the following measures when securing your TV to a Stand (not supplied)
- 1 Secure the Stand for the TV. Make sure the Stand can adequately support the weight of the TV. Use two angle braces (not supplied) to secure the Stand. For each angle brace use the appropriate hardware to:
- Attach one side of the angle brace to the wall stud. Attach the other side to the Stand

rope or chain

- 2 Secure the TV to the Stand Use the optional hardware listed as follows (not
- Supplied).
 M6 machine screws (screwed into the TV's rear cover).
 A screw or similar (attach it to the Stand).
 Rope or chain (strong enough to support the weight of the TV). Make sure that there is no excess slack in the
- **4 GUIDE:** Display the digital program guide of TV or Cable/Satellite box*1*3. **DVR:** Display the Rec list of DVR*³ **INPUT:** Display and select the input source, etc.
 - **Calculate Settings):** Display Quick Settinas. BACK

Attach the Wall-Mount Bracket (not supplied) using the screws (not supplied).

 If using an electric screwdriver, set the torque at approximately 1.5 N·m {15 kgf·cm}

Detaching the Table-Top Stand from the TV

1 Remove one side of the Table-Top Stand at a time. Firmly hold the Table-Top Stand securely with both hands while the other people lift up the TV.

2 Repeat the previous step and remove the other side of the Table-Top Stand.

- Note • Three or more people are required to detach the Table-Top Stand.
- Be careful not to use excessive force while detaching the Table-Top Stand from the TV as it may cause the TV set to fall resulting in personal injury or physical damage to the TV.
- Take care when handling the Table-Top Stand to prevent damage to the TV. • Be careful when lifting the TV as the
- Table-Top Stand is detached, the Table-Top Stand may topple over and cause persona
- Take care when removing the Table-Top Stand from the TV to prevent it from falling over and damaging the surface that the TV is sitting
- Do not remove the Table-Top Stand for any reason other than to install corresponding accessories on the TV.
- Be sure the TV is vertical before turning on. To avoid uneven picture uniformity do not power on the TV with the LCD panel facing

XBR-49X800H / 43X800H only

To detach the Table-Top Stand from the TV, remove the screws.

- Do not remove the Table-Top Stand for any reason other than to install corresponding accessories on the TV.
- Be sure the TV is vertical before turning on. To avoid uneven picture uniformity do not power on the TV with the LCD panel facing down.
- When attaching the Table-Top Stand again, be sure to fasten the screws (previously oved) to the original holes on the rear of the TV.
- Place the TV with its screen facing down on a level and stable surface covered with a thick and soft cloth when removing the Table-Top Stand from the TV to prevent damaging the surface of the LCD display

Note: The image shown here is for illustrative purposes only and may be subject to change. The actual number of ports and their locations may vary depending on the model.

Troubleshooting

General troubleshooting for issues like: black screen, no sound, frozen picture, TV does not respond, or network is lost, do the following steps.

- 1 Restart your TV by pressing the power button on the remote control for about five seconds. The TV will restart. If the TV does not recover, try unplugging the AC power cord. Then press the power button on the TV. and release it. Wait for two minutes, and plug in the AC power cord.
- **2** Refer to the Help menu by pressing HELP on the remote control.
- **3** Connect your TV to the Internet and perform a software update, it is recommends you to keep your TV software updated. Software updates provide new features and performance improvements.
- 4 Perform the factory data reset.

When you plug in the TV, the TV may not be able to turn on for a while even if you press the power button on the remote control or the TV. It takes time to initialize the system. Wait for about one minute, then operate it again.

How to reset the TV to factory settings WARNING: The reset will clear all of your customized settings including the parental lock setting.

- You can reset the TV to factory settings by selecting [Factory data reset]. How to select [Factory data reset], refer to the Help Guide.
- To force factory data reset, unplug the AC power cord. Press and hold 🕛 button on the TV, then plug in the AC power cord. (except XBR-49X800H / 43X800H)
- To force factory data reset, unplug the AC power cord. Press and hold both () and buttons on the TV then plug in the AC power cord. Release both buttons when the LED blinks. (XBR-49X800H / 43X800H only)
- For security purposes, be sure to remove all personal and account information before discarding, selling or passing your TV to someone else by: unlinking/ unregistering, signing out of and deactivating all network services as well as factory reset the TV.

The remote control does not function. Replace the batteries

The parental lock password has been forgotten

- Enter 4357 for the PIN and enter the new PIN.
- The restricted profile password has been forgotten.

Perform the force factory data reset.

For more information on troubleshooting, refer to the Help Guide

REFURBISHED PRODUCT LIMITED NINETY DAYS WARRANTY

The Refurbished Product Service Center offers the following WARRANTY to the ORIGINAL purchaser of a product which we have refurbished.

This product that has been refurbished is warranted against any electronic or mechanical defects for a period of NINETY DAYS from the date of the original purchase by the consumer. Since this unit was sold as a refurbished item, the warranty does not apply to any cosmetic appearance items such as scratches. Should a defect occur, the Refurbished Product Service Center will repair or, at its option, replace defective unit/parts with new or rebuilt materials without charge for either parts or labor. Replacement unit/parts will be warranted for the remaining portion of the original warranty period.

This warranty does not cover installation or damage from accident, misuse, abuse, improper wiring, incorrect voltage, operating the unit against the instructions in the owner's manual or any product which has been opened, altered, or tampered with

This warranty does not cover costs for removal and or installation of the unit for repair. Under no circumstances shall the service center be liable for any special, incidental or consequential damages or for any other expenses incurred by reason of use or sale of this product. This warranty is in lieu of any other warranties expressed or implied warranty of merchantability of fitness for particular use or otherwise.

This warranty gives the consumer specific legal rights and they may also have other rights which vary from State to State. Some States do not follow the exclusion or limitation of incidental or consequential damages, hence the above exclusion and limitations may not apply.

Refurbished Product Service Center 13225 Marguardt Avenue Santa Fe Springs, CA 90670.

WARRANTY REPAIR INFORMATION

If you need service on your unit and this product requires repair during the 90 days warranty period; please go to www.ConsumerServiceRefurbish.com or call the Refurbished Product Service Center at 562-946-3531 to obtain the required return authorization (RA) number. Pack the unit properly (the original carton is ideal for this purpose) along with a copy of your purchase receipt and a letter describing the problem. Send the unit freight prepaid and insured to:

Refurbished Product Service Center, Att: Customer Service Department 13225 Marquardt Avenue Santa Fe Springs, CA 90670

Your unit will be promptly repaired and returned to you. We will refuse to accept delivery of the returned unit unless the assigned RA number appears on the outside of the shipping carton
