Product Guide

SAVE THESE INSTRUCTIONS

WHAT'S INCLUDED:

CHARGING THE BATTERY:

Arctic Air™ Freedom comes partially charged – For Best results, fully charge battery before first use.

NOTE: When fully charged, you can expect runtime of 3-6 hours depending on fan speed.

1. Using included USB cable, plug small end into charging port located on side of unit.

2. Plug large end of USB cable into a USB-Power adapter, laptop, or other device (not included).

3. Power Button will begin blinking to indicate unit is charging. When light remains solid, Arctic Air™ Freedom is fully charged.

The image shown here is for illustrative purposes only and may be subject to change.

USE:

1. Place Arctic Air™ Freedom around your neck, with Air Vents facing up towards your face.

2. Adjust your fit by using the flexible neck band until comfortable.

3. Press the power button located on the side to turn on – light will glow to indicate unit has power.

NOTE: Fan speed will default to HIGH. Press button again to change to MEDIUM, and again to change to LOW.

4. When done, press power button until unit turns off. Store in a cool, dry location until next use.
