Please read this manual carefully before operating your unit and retain for future reference.

# FROST VAULT™

30-QT COOLER

## GET TO KNOW YOUR COOLER

### STURDY HANDLES

Easy-to-carry design.

### THICK INSULATION

Inner-wall insulation delivers longer-lasting ice retention.

### LOCKABLE LID & DRAWER

Easy-close, one-handed latch seals lid securely.

### DRAIN PLUG

Mess-free, easy drainage.

### NINJA FROSTVAULT™ DRY ZONE

Easy access to your essentials, keeping them cold, dry, and separate from the main cooler full of ice.

**NOTE:** In order to ensure the highest possible standard for refurbished items, all units are thoroughly inspected as part of the process.

For this item, water may be used during the refurbishing process and so; you may notice some condensation in the water reservoir. It is recommended to rinse the water reservoir with fresh water prior to its first use.

Accessory type and quantity may vary depending on the model.

The image shown here is for illustrative purposes only and may be subject to change.

The images shown here are for illustrative purposes only and may be subject to change, the actual descriptions of control panel and their locations may vary depending on the model.

# DRIER. SAFER. COLDER. EASIER.

Ninja FrostVault™ Technology delivers food-safe fridge temps for days under 40°F. Keeps your food cold, dry, and separate from the main cooler full of ice vs. traditional coolers with wire baskets that can quickly reach unsafe food temps (over 60°F).

## GET THE MOST OUT OF YOUR NINJA FROSTVAULT™ ZONE

### PRE-CHILL

For best results, load the drawer with pre-chilled items.

### FILL IT UP

Lay ice on the bottom of the main cooler to keep drawer contents cold. **DO NOT** add ice to the drawer. Fill the drawer completely with food or drinks. **DO NOT** overfill.

### KEEP CLOSED

Keep the drawer closed when not in use, and limit opening and closing to maintain optimal temperature.

WIRE BASKET

# MAXIMIZE ICE RETENTION

## THE RIGHT RATIOS

For the best FrostVault™ experience, we recommend filling your cooler's main compartment with 20 cans and a minimum of 15 lbs of ice. **DO NOT** use dry ice. Ice does not need to be placed in the drawer.

## PRE-CHILL THE COOLER

Before using, leave the cooler open in a cool space for a few hours or overnight. For even better results, fill with ice to lower the inside temperature. Drain when ready to use, then add fresh ice and pre-chilled contents.

## PACK EFFICIENTLY & KEEP CLOSED

Fill the cooler completely with ice, food, and drinks, then use a towel to fill empty space if necessary. To retain cold temperatures and ice, keep the cooler closed. Keep shaded or cover with a tarp or blanket for best results.

# CLEANING YOUR COOLER

## FIRST CLEANING

Before first use, clean the cooler with warm, soapy water. Rinse thoroughly and let air-dry.

## ROUTINE CLEANING

After each use, rinse your cooler with warm, soapy water. Scrub the interior with a soft brush or cloth to remove any residue or odors. Rinse thoroughly and let air-dry.

## DEEP CLEANING

Apply a paste of baking soda and water to stubborn stains or odors and scrub gently. Rinse thoroughly and let air-dry.

# COOLER STORAGE AND PLACEMENT

Ensure your cooler is on an even, level surface. **DO NOT** stand on the cooler.

After use, leave the lid and drawer open until the cooler is completely dry to prevent mold or odors. Close the lid and drawer then store the cooler in a cool, dark, and dry place.

## SECURE YOUR COOLER

Weave one tie-down strap through each handle.

OR

Wrap two straps, one around each handle.

\*Strap Not Included

## DRAWER CLEANING

Pull Ninja FrostVault™ Dry Zone drawer out completely, lift at an angle, and remove like you would a dresser drawer. Rinse or wipe away any sand or dirt between uses. Clean with warm, soapy water. Rinse thoroughly and let air-dry. To reinsert, put back in at an angle and close.

Remember, always ensure your cooler is completely dry before closing and storing to prevent mold and mildew growth.

## REFURBISHED PRODUCT LIMITED NINETY DAYS WARRANTY

The **Refurbished Product Service Center** offers the following WARRANTY to the ORIGINAL purchaser of a product which we have refurbished.

This product that has been refurbished is warranted against any electronic or mechanical defects for a period of NINETY DAYS from the date of the original purchase by the consumer. Since this unit was sold as a refurbished item, the warranty does not apply to any cosmetic appearance items such as scratches. Should a defect occur, the **Refurbished Product Service Center** will repair or, at its option, replace defective unit/parts with new or rebuilt materials without charge for either parts or labor. Replacement unit/parts will be warranted for the remaining portion of the original warranty period.

This warranty does not cover installation or damage from accident, misuse, abuse, improper wiring, incorrect voltage, operating the unit against the instructions in the owner's manual or any product which has been opened, altered, or tampered with.

This warranty does not cover costs for removal and or installation of the unit for repair. Under no circumstances shall the service center be liable for any special, incidental or consequential damages or for any other expenses incurred by reason of use or sale of this product. This warranty is in lieu of any other warranties expressed or implied warranty of merchantability of fitness for particular use or otherwise.

This warranty gives the consumer specific legal rights and they may also have other rights which vary from State to State. Some States do not follow the exclusion or limitation of incidental or consequential damages, hence the above exclusion and limitations may not apply.

**Refurbished Product Service Center**

13225 Marquardt Avenue Santa Fe Springs, CA 90670.

## WARRANTY REPAIR INFORMATION

If you need service on your unit and this product requires repair during the 90 days warranty period; please go to [www.ConsumerServiceRefurbish.com](http://www.ConsumerServiceRefurbish.com) or call the **Refurbished Product Service Center** at 562-946-3531 to obtain the required return authorization (RA) number. Pack the unit properly (the original carton is ideal for this purpose) along with a copy of your purchase receipt and a letter describing the problem. Send the unit freight prepaid and insured to:

**Refurbished Product Service Center,**

Att: Customer Service Department 13225 Marquardt Avenue Santa Fe Springs, CA 90670

Your unit will be promptly repaired and returned to you.

We will refuse to accept delivery of the returned unit unless the assigned RA number appears on the outside of the shipping carton.
